ST MARTIN'S CHURCH NEW BUCKENHAM

AS you know a Flower Festival has been held annually in St Martin's for the past few years. This year we are giving the effort a rest, but the ladies' committee which has worked so splendidly in organizing the affair will continue in being so that when we revive it, as we hope to do in 1979, it can be done smoothly and with all the benefit of past experience.

Not having the Flower Festival does, however, unfortunately mean a gap in Church funds. It has been suggested that you may be happy to help offset this by making a cash donation to St Martin's.

The Church Council believe that this is a good idea and have accordingly arranged for the service on SUNDAY JULY 2nd to be one at which the gifts will be offered. It is at 11am, so come and bring your gift then.

One of our clergy will be at the church on Saturday morning from 10am to 12 to receive your gift if you would like to do it in this way.

If you cannot manage either of these, then please give your gift to someone else to bring, or send it to our treasurer Mr Donald Steward.

GIFT DAYS JULY 1 & 2

Saturday morning 10am-12noon.
Sunday morning at 11am service.

Please give what you can to support your parish church.

F. SMITHERMAN
Secretary of the Parochial Church
Council.

New Buckenham Market Cross

It is very disappointing, after the enthusiasm for restoring the carvings to the Market Cross expressed at the Annual Parish Meeting, that the Parish represented by its Fete Committee should refuse to contribute to the Market Cross Fund.

This will certainly discourage any more private donations, and if widely known, may have an adverse effect on further help from the Pilgrim Trust and Ministry of the Environment.

Another discouragement is that the Market Cross collecting box has again been broken open and robbed already this year.

I am grateful to Mrs Reg Howling for her already organised Wine and Cheese Party.

TREES ON THE COMMON AND MARKET PLACE,

I also hope that everyone will help to combat the vandalism that is being perpetrated on these trees. The latest and worst casualty is one of the willows on the Spitalmere.

I am leaving it as it is as a blemish to remind us all to look after our countryside.

Volunteer help is always welcome to repair the surrounds of the trees on the Common.

Meanwhile until more money is available other things must wait.

R.A.M. Hamerton.

NEW BUCKENHAM PARISH COUNCIL

The next meeting of the Parish Council will be held in the Village Hall at 8.30 p.m. on Tuesday 18th July.

NEW BUCKENHAM PARISH NEWS - AUGUST 1978

THE VILLAGE FETE TO TAKE PLACE ON AUGUST 28th 1978

We had a very successful open meeting on July 12th to discuss arrangements for the above fete. Amongst a big attendance it was refreshing to see several young couples who have recently come to the village to give us new ideas; e.g. an open tug of war contest and a pram race.

This fete is solely in aid of Church, Chapel and Village Hall funds, all of which are in need of money. As you all know after five successful Flower Festivals (1973 - 1977 inclusive) the Church decided not to hold this event this year and is therefore short of what has become part of an annual source of revenue.

Books of raffle tickets are on sale and are available from Fete Committee members and others. I hope the raffle will be well supported.

The open fete meeting arranged for July 31st is postponed until August 14th at 8 p.m. in the Village Hall.

Donald Steward.

ST MARTIN'S CHURCH GIFT DAY

On behalf of the Church Council I should like to thank all donors for their generosity towards the above. At the time of writing the sum of over £30 has been received.

Donald Steward.

SOUTH NORFOLK CONSERVATIVE ASSOCIATION

By kind permission of Sir John and Lady Musker the Western Area will hold a Sunday Market on August 27th 1978 at Shadwell Park. This will be from 11 a.m. to 4 p.m.

At a recent Committee meeting it was decided that the New Buckenham branch would have a miscellaneous stall. If any members have anything that they think will sell or are willing to give produce, cakes etc, the Pavilion at the old Bowling Green will be open on Friday and Saturday preceding the 27th.

Banham branch has recently been restarted and they have asked if they can go in with us this time as they have no previous experience of the market. The Committee welcomed their support and they would be asked to collect from their own members on the lines suggested above.

If anybody is willing to help at the market it would be much appreciated. Would they please get in touch with the Secretary.

It is realised that the date is rather inconvenient being Bank Holiday weekend, but it was brought forward from its usual September time to avoid the possibility of having to cancel it in the event of an election being called.

Apart from the loss of revenue this would have meant wasting the various branches times and effort in organising their support for the Market which would have been disheartening for all concerned.

V.L.Cowdery. Secretary.

THE CHURCH CLOCK

What a treat it has been to hear our Parish Church Clock striking the hours again.

I hear it fairly often when I am in my garden close to the Church. Perhaps many will not agree with me but it is a grand sound, some other residents also appreciate it and have said so. Everytime I hear it strike I give a smile and say, Bless you to the person or persons who can give such pleasure for I love clocks.

Bring is, O Lord God, at our last awakening into the house and gate of heaven, to enter into that gate and dwell in that house, where there shall be no darkness nor dazzling, but one equal light; no noise nor silence, but one equal music; no fears nor hopes, but one equal possession; no ends nor beginnings, but one equal eternity; in the habitations of Thy glory and dominion world without end.
